

ACADEMIC STAFF ASSOCIATION
Quaid-i-Azam University

Ref. ASA/R-06.

Dated: August 18, 2010.

Resolution

The Executive Council (EC) of the Academic Staff Association (ASA) in its meeting held on August 18, 2002 discussed the issue of public-private partnership at length and unanimously resolved the following.

1. The existing Department of Administrative Science should start its already approved BBA program from Fall 2010.
2. The Department of Administrative Sciences should be upgraded to School of Management Sciences.
3. The bidding process for private proposals of QASMS should be cancelled immediately as per the already existing right of the QAU given in the RFP.
4. Any future plans regarding initiation of public-private partnership in QAU should first be discussed among the academic community and other related academic bodies.
5. The House showed its full confidence in the Think Tank constituted by the Academic Council and the university administration to look into the matter of QASMS and resolved that the recommendation put forwarded by the Think Tank should be implemented in letter and spirit.

President,

(Dr. Eatzaz Ahmad)
